**SUPPLEMENTARY INFORMATION:**

Summary of Information Collection

Respondents are recreational land users seeking to use recreational resources controlled by the government by virtue of location. The information collected is to ensure the safety of individuals using land which is concurrently used for military training; including live fire ranges. The system will notify users when recreational lands are not available for use and allow for de-confliction of use for multipurpose land on military installations. The system will also act as a last known location log should individuals using recreational lands become missing while using the access areas.
